A truly unique opportunity to acquire this remarkable detached period residence, nestled in an elevated position on the fringes of Banwell's hillside and offering breathtaking panoramic views across the Mendip Hills, the Bristol Channel and as far as Bristol Airport, Vale View is believed to have been originally constructed in the 1880s. This character-filled home has been thoughtfully and lovingly renovated to create a versatile and beautifully presented living space arranged over three floors. The accommodation is accessed via a welcoming entrance hall, leading to a charming sitting room with a decorative fireplace and triple-aspect windows that frame the stunning outlook over the North Somerset countryside, Bristol Channel and the Welsh Hills beyond. A beautifully fitted kitchen enjoys a range of integrated fitted wall and base cabinets with a range of integrated appliances and finished with elegant Quartz work surfaces. This space flows seamlessly into the dining room, creating a sociable hub ideal for entertaining. A rear boot room/porch provides access to the driveway and gardens. A lower ground floor offers a superb additional living space, comprising a second lounge with patio doors opening onto the garden patio, prefect for relaxing in the summer sun throughout the day. An unexpected surprise is a dedicated cinema room, perfect for family movie nights or entertaining guests. The lower ground floor also hosts a convenient cloakroom WC. Upstairs, the first floor boasts three well-proportioned double bedrooms, including a generous principal suite with built-in wardrobes and a luxurious four piece ensuite bathroom featuring a walk-in shower, bath, WC and wash basin. A stylish family bathroom completes the upper level, all accessed via a bright gallery landing.

The property is set within approximately one third of an acre of beautifully maintained grounds, offering a wonderful sense of privacy and space. The gardens wrap around the home and are predominantly laid to lawn, interspersed with mature shrubs, colourful borders and a variety of seating areas from which to enjoy the far-reaching views. A paved patio area provides the perfect spot for al fresco dining, while the lower garden offers further potential for landscaping or recreational use. A private driveway leads to a detached garage block, which includes two additional rooms, currently arranged as a utility room and a workshop/potting shed, both with hot water, offering excellent flexibility for potential use as home office, hobbies room, or further development (subject to any necessary consents). The layout of the grounds and outbuildings makes this property ideal for those seeking a blend of lifestyle, practicality and potential.

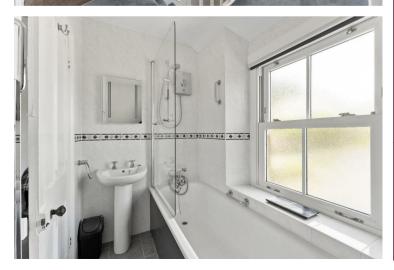

Vale View is ideally positioned within the historic village of Banwell, known for its charming character, community spirit and access to scenic countryside walks. The village offers a range of local amenities including shops, pubs, and a primary school, while the nearby town of Weston-super-Mare provides a wider selection of services, shopping and leisure facilities. For commuters, the property is well placed with easy access to the A370, M5 motorway and mainline rail services available from nearby Worle and Weston stations.
