A beautifully presented, modern, three-bedroom family home in Langford – 3 Says Path was built by Award Winning constructor Bellway Homes in 2020, and is built to Shipton design, combining both style and practicality. Set within the popular Blagdon Gardens development, consisting of just 43 homes, this property offers a wonderful opportunity to enjoy modern village living in a well-connected location, and still benefits from the remainder of a 10-year structural warranty. This wonderful home provides potential buyers, peace of mind and a reassuring sense of quality throughout. The ground floor welcomes you with a spacious entrance hall opening to all principal rooms. The light-filled dual aspect kitchen/diner opens directly onto the rear garden, making it a wonderful social space, and the true hub of the home. A separate bay-fronted sitting room offers a cosy retreat, while a cloakroom/WC adds everyday convenience. Upstairs, the accommodation continues to impress with three well-proportioned bedrooms, with the principal boasting its own en-suite shower room, offering a private and tranquil space. A stylish family bathroom serves the remaining bedrooms, completing the layout with thoughtful attention to detail.

The southerly facing rear garden has been beautifully designed for both relaxation and entertaining. This delightful outdoor space features a generous stone-paved patio, perfect for al fresco dining and summer gatherings. A stylish pergola creates a charming focal point and a welcoming atmosphere for evening enjoyment. The low-maintenance artificial lawn is framed by vibrant, well-kept raised flower beds, adding a splash of colour and greenery throughout the seasons. Enclosed by attractive brickwork and timber fencing, the garden offers a secure environment and an ideal retreat to enjoy all year round. A secure gate to the rear of the garden provides access to allocated parking for two vehicles. To the front, there is an area laid to lawn to one side, and to the other is a planted bed containing a variety of shrubs, with a pathway in the middle leading to the main entrance.

Situated within the popular Blagdon Gardens development, and is ideally located to access the Mendip Hills, giving you easy access to this area of outstanding natural beauty. The village itself offers a range of amenities, including local shops, doctor's surgery, cosy village public houses, and highly regarded secondary school. It also offers good connections for those commuting to Bristol or Weston-super-Mare, being situated just off the A38, and also just a short drive to Bristol International Airport and Yatton's mainline railway station.
