An impressive, immaculately presented, nearly new three bedroom detached family home forming part of the highly regarded Court de Wyck development in the sought after village of Claverham. 21 Mayors Road is built to the popular Hinton design, constructed by the award-winning Newland Homes and completed to an exceptional standard, combining elegant contemporary finishes with impressive energy efficiency, including solar panels generating "free" electricity. The welcoming entrance hall leads to a bright, box bay-fronted sitting room positioned to the front of the property, a beautifully light and comfortable space, perfect for relaxing or entertaining. The heart of the home is the superb open plan kitchen dining room to the rear, designed with family living in mind. The kitchen is fitted with a stylish range of wall and base cabinets complemented by high-quality integrated appliances, including a Neff five-ring hob, two raised stainless steel Neff ovens, fridge/freezer, and dishwasher. A useful utility cupboard provides plumbing and space for both a washing machine and tumble dryer, while French doors open from the dining area directly onto the rear garden, creating a seamless flow for social occasions or summer dining. The ground floor also includes a cloakroom WC and convenient understairs storage. Upstairs, the first floor provides three double bedrooms. The principal bedroom benefits from a generous walk-in wardrobe and a sleek en-suite shower room, while the remaining bedrooms are served by a modern family bathroom. The home's layout has been thoughtfully designed to maximise space and natural light, with an immaculate interior that presents as new throughout.

Externally, 21 Mayors Road occupies a pleasant position within the development and enjoys an attractive, enclosed rear garden offering both privacy and versatility. The garden has been carefully landscaped to create defined spaces for relaxation and outdoor entertaining, featuring a paved patio area ideal for al-fresco dining, a central circular lawn surrounded by decorative gravel, and established borders providing colour and interest. The side of the property offers tandem off-street parking for two/three vehicles, ensuring ample provision for both residents and visitors. The house also benefits from a gated side access linking the parking area to the garden, adding convenience for day-to-day living. With its combination of outdoor space, modern efficiency, and stylish presentation, this is a home perfectly suited to growing families or those seeking a peaceful and practical village setting.

Mayors Road forms part of the popular Court de Wyck development, a thoughtfully planned collection of contemporary homes set within the picturesque village of Claverham. The area offers a welcoming community atmosphere, surrounded by open countryside and with a wealth of scenic walks on the doorstep. Claverham itself benefits from a range of local amenities, including a village store and café, while nearby Yatton provides a more comprehensive selection of shops, primary and secondary schooling, and a mainline railway station offering direct links to Bristol, Bath, and London Paddington. The development also provides easy access to the A370 and M5, ensuring straightforward connections to Bristol, Weston-super-Mare, and the surrounding region. This peaceful yet well-connected location combines the charm of rural living with modern convenience — making 21 Mayors Road an ideal choice for those looking to enjoy the best of both worlds in a contemporary, energy-efficient family home.
