Woodclose occupies a private position within a popular part of Bembridge, with the beach and Lifeboat Station approximately 80m walk along the road. This interesting property boasts an impressive package with a three-bedroom house, currently utilised for holiday letting (compliant with current holiday letting fire and safety regulations), but ideal as a family home with large kitchen, dining room and sitting room and plenty of space and gardens extending to the rear. The property further benefits from a self-contained annexe/chalet in its own private gardens extending to woodland at the back. The bungalow is well-equipped with large rooms, separate kitchen and woodburning stove, comfortable for year around occupation. Occupying its own magical gardens, Woodclose Bungalow is a log-built chalet, believed to have been brought to the island as 'Billets' for soldiers during the war and now provides accommodation in many similar properties in Bembridge. Constructed largely of timber, the bungalow sits in charming plot with gardens backing onto woodland. The property offers an opportunity to live in a great location with an income stream, but some modernisation may be required.

Located along Lane End Road, providing easy access to the beach and a range of excellent walks from the coastal path just a short distance from the property. Bembridge village has a good range of shops, cafes and restaurants, including a butcher's, fish monger's, farm shop and chemist, whilst Bembridge Harbour has extensive mooring facilities and two sailing clubs.

There are many options for travelling back and forth to the mainland. The nearest passenger ferry crossings are from Ryde (7miles) connecting at Portsmouth with trains to London Waterloo while Wightlink vehicle ferries cross from Fishbourne (10 miles) to Portsmouth providing a slick, efficient and reliable 24/7 vehicle service. Island residents are able to benefit from significant discounts by using a multi-link ticket with 10 car crossings the cost is approximately £35.50 per crossing for a standard car (as of August 2024). Flexible booking via the Wightlink App, with numberplate recognition makes for easy journeys with a priority boarding option for those requiring fast boarding/deboarding.
