Originally part of the extensive grounds of Swains End in Swains Road, this is one of three properties constructed by local builder Godfrey Homes in 1981. With a front outlook towards the characterful Red House and its beautiful grounds, and a rear open aspect looking across to the mature trees in Love Lane and the sea beyond, Number 53 occupies an excellent plot and a sought after position at the beach end of Meadow Drive.

The property has been sensitively extended and renovated to provide a contemporary and high specification finish, with stylish new interiors including a substantial kitchen/dining/living area, a separate snug/media room and five bedrooms (one of which is open plan to the stairs). A hobbies/utility room is located at the back of the detached garage.

Following a well-executed loft conversion, the house now benefits from a generous and adaptable layout to include up to five bedrooms and four bathrooms, three of which are ensuite. The open plan bedroom/landing is currently used as a combined rumpus room/bedroom for grandchildren. There are new patio doors at the rear, a new high performance mains gas boiler, upgraded electrics with LED lighting and all internal doors have been replaced in solid oak, most of the interior walls have been replastered and decorated throughout.

This is a very sought after location with its close proximity to the beach, coastal paths and walking distance to the village. The picturesque beach at Swains is a quiet unspoilt beach with sand and rock pools popular with summer swimmers, paddleboarders, kayakers, crabbers and all year around dog walkers.

Bembridge Harbour has extensive mooring facilities and two sailing clubs, whilst the village has a good range of shops, bars and restaurants, including a butcher, fishmonger, farm shop, florist and chemist. There are several churches and activity groups meeting throughout the year. A truly friendly village welcoming to all.

There are many options for travelling back and forth to the mainland. The nearest passenger ferry crossings are from Ryde (7 miles) connecting at Portsmouth with trains to London Waterloo while Wightlink vehicle ferries cross from Fishbourne (10 miles) to Portsmouth providing a slick, efficient and reliable 24/7 vehicle service. Island residents are able to benefit from significant discounts by using a multi-link ticket with 10 car crossings the cost is approximately £35.50 per crossing for a standard car (as of August 2024). Flexible booking via the Wightlink App, with numberplate recognition makes for easy journeys with a priority boarding option for those requiring fast boarding/deboarding.
