Old Orchard is an elegant and well-maintained three-storey family home, ideally situated in a desirable village location close to village amenities and the beach. Blending period charm with modern practicality, the property retains many original features including timber floorboards, decorative fireplaces, sash windows, detailed cornicing, and classic picture rails.

The accommodation is generous and thoughtfully arranged including an impressive 32-foot sitting/dining room with dual aspect windows, offering a bright and sociable space for family living and entertaining. A separate kitchen/breakfast room adjoins a large utility/laundry room, ensuring excellent functionality for family life.

Across the upper two floors are five well-proportioned double bedrooms and two bathrooms, in addition to a large study provides an ideal space for remote working or a quiet retreat.

The mature L-shaped garden is a particular feature of the property—private and attractively landscaped, with generous lawns, two paved terraces for outdoor dining, and the added benefit of a rear gate opening directly onto the peaceful green space behind, known as ‘Sophie Watson’s Gardens’.

Old Orchard has plenty of off-road parking on a long private driveway and the original ‘Lushington’ boat store, a summer house/art studio, and a garden shed, offer versatile storage potential.

Located just minutes from the village centre, the property is ideally positioned close to local shops, restaurants, the Yacht Club, and several scenic beaches. Fast passenger ferry links to the mainland are less than a 10-minute drive (or a scenic coastal walk), with the vehicle ferry terminal just 15 minutes away.
