

**Spinners Croft
Keyworth**

millerhomes

the place to be®

A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Please note that the site plan is not drawn to scale.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Spinners Croft.

Keyworth is just two minutes drive from the A606, offering fast access to Nottingham, and around 20 minutes from Loughborough. Bus links with Nottingham, stopping just outside Spinners Croft, run every 15 minutes during the day, with hourly services until late. The buses call at Nottingham Station, from where there are direct services to London St Pancras, Liverpool, Norwich, Leeds, Cardiff and other destinations.

There is a Sainsbury's Local store around half a mile from the development, alongside an award-winning fish and chip restaurant. The village shops, all within around 15 minutes walk, include pharmacies, a post office, a baker, Co-op food stores, a butcher, a hardware shop, a newsagent and convenience store, a delicatessen and various food takeaways. There are also two vet practices, an optician and other specialist services. A wide choice of supermarkets and high street names can be found in Nottingham.

Bringing an exciting selection of two, three, four and five bedroom homes and two and three bedroom bungalows into a delightfully landscaped, tree-lined setting on the edge of Keyworth, this new neighbourhood has an inspiring blend of rural calm and outstanding convenience. Just eight miles from Nottingham, in the geographical heart of England, the village's excellent amenities, strong sense of local identity and rich, varied community life make it an ideal place to put down roots. Welcome to Spinners Croft...

The Miller Difference

your home your way...

The Miller Difference
Every home we build is the start of an adventure. For more than 85 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

The village offers outstanding social and leisure amenities. Keyworth Leisure Centre incorporates a 20m swimming pool, a 25 station gym, a sports hall and football pitches. There is a second fitness centre with a pool near the square, and Stanton-on-the-Wold Golf Club is located on the eastern edge of the village. Facilities for younger people include a Skatepark and an exciting Activity Park at Rectory Field, in the village centre.

For evenings out and dining, Keyworth and nearby Plumtree offer a choice of traditional pubs. More unusual dining opportunities include a bar and bistro in the old station building near the development. Local clubs and societies offer a choice of activities most nights, covering interests ranging from music and drama to local history and fitness, and the annual horticultural show brings a fairground to the village.

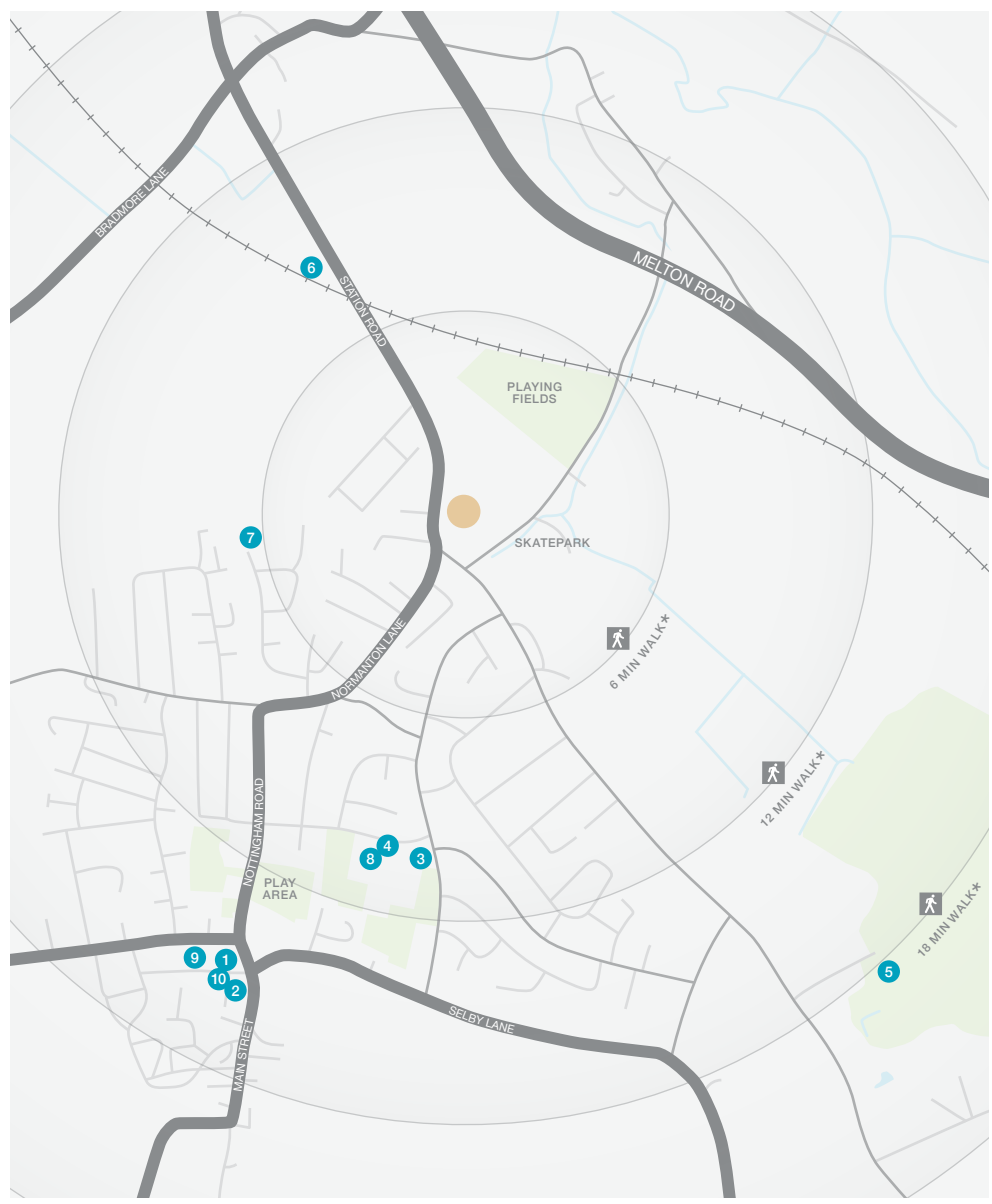

Keyworth's popular Library is open five days a week, including Saturdays. Local day nurseries include Children 1st, around 600 yards away, and the village has three primary schools and a high school. Crossdale Primary, half a mile from Spinners Croft and recently converted to academy status, is assessed as 'Outstanding' by Ofsted and achieves well above average results in core subjects. South Wolds Academy and Sixth Form, three quarters of a mile away, is now part of a multi-academy trust and is rated 'Good with Outstanding Features' by Ofsted.

Keyworth Medical Practice and Keyworth Dental Practice are located close to each other near The Square. The Medical Practice, staffed by nine GPs, was assessed as 'Outstanding' by the Quality Care Commission.

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

How to find us

Development
Opening Times:
Please see
millerhomes.co.uk
or call 03301 738 255

From Nottingham
Cross the River Trent by the A60 Trent Bridge. Just under half a mile after crossing the river, bear left into the A606 Melton Road. Stay on Melton Road for just over two miles, then at the roundabout take the second exit, for Plumtree. One mile on, turn right following signs for Plumtree. Go through Plumtree and, quarter of a mile after passing under a railway bridge, the entrance to Spinners Croft is on the left.

From The A606 Northbound
Bear left to leave the road at Widmerpool and at the roundabout take the first exit, for Nottingham via the A606. Stay on the A606 for three miles, then turn left into Platt Lane, signposted for Keyworth and the British Geological Survey. Carry on to the T-junction and turn right, turn right again at the subsequent junction, and the entrance to Spinners Croft is on the right.

the place to be®

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

This brochure is printed on GalerArt and contains material sourced from responsibly managed forests. It's certified by the Forest Stewardship Council, an organisation dedicated to promoting responsible forest management and manufacture of wood products, like paper. It's a small thing, we know, but enough small things make a big difference. Please recycle this brochure and help make that difference.
