Property Description

An excellent opportunity to purchase a three bedrooed semi-detached villa, located in the popular Crown area of the city. The property benefits from double glazing, gas central heating, and early viewing is highly recommended. The accommodation is spread over two floors with the ground floor comprising an entrance hall, a bright and spacious lounge with feature gas fireplace (which has currently been disconnected). Completing the ground floor accommodation is the kitchen/diner which provides ample space for informal dining, and comprises wall and base mounted units with worktops and splashback tiling, a 1 1/2 stainless steel sink with drainer and mixer tap, and a gas hob with extractor fan over and electric oven and a door giving access to the rear. On the upper floor can be found a landing area giving loft access, three bedrooms, with the principle bedroom benefiting from a fitted storage wardrobe and the family bathroom which comprises a WC, a sink and a bath with electric shower over and completed with complimentary tiling.

Externally, the front and rear elevation is of low maintenance being laid to gravel, and there is a driveway to the side elevation which leads to the detached single garage. The popular and established Crown area of Inverness is a conservation area with local amenities located at the Kingsmills which included a general store, deli, hairdressers, a pharmacy, a dentist, a café and hotels/restaurants/bars. Primary and secondary schooling are both located nearby.
