

Woods Court Walker Close, Newark NG24 4BP

welcome to

Woods Court Walker Close, Newark

Potential redevelopment site extending to 0.76 hectares half a mile south east of Newark town centre close to the B6325 London Road, in a predominantly residential area.

Location

The site is located in a prime residential location, close to Newark town centre with road frontage to London Road. Newark is a superb location, with excellent communication links, being on the East Coast main train line to London Kings Cross and sits alongside the A1.

Planning

In 2018 a Change of use from an Elderly Persons Home to an Adult Day Centre (Use Class C2 to D1) was approved so the site now falls within The 'Learning and non-residential institutions' use class (F1).

The principal of residential development is established through its previous and current use and initial indications from Newark Planners is the site is suitable for demolition of the existing building and re-development.

Services

Prospective buyers should satisfy themselves as to the location of utilities.

Wayleaves, Easements

The land is sold subject to, and with the benefit of, all existing obligations and rights, including rights of way, whether public or private, light, support, drainage, water, electricity supplies and other obligations, easements, quasi-easements and all wayleaves, whether referred to or not in these Particulars.

Terms

The Vendors preference is to promote the site for redevelopment in respect of the previous planning classification (C2) to provide a retirement living product but would consider alternative residential options where these are viable.

Method Of Sale

The site is to be sold by Informal Tender with the closing date for offers being 12 noon on Thursday 30th November 2023. Details of how to register an offer are available from the selling agents.
