West End, York, North Yorkshire, YO60 7DX Guide price £775,000

A unique opportunity to acquire a family home with an additional two self contained properties on this private plot on the edge of the village. West End has been in the same family since being built in 1967, located in this sought after Howardian Hills village between York & Malton.

West End sits on an extensive plot in the picturesque village of Welburn, York. The 2 self contained houses have permission to be used as holiday lets. In the past there has been temporary planning approval granted for extended family to reside in them. So, with appropriate planning enquiries, this may be an option should a family wish to use the units for multi-generational living.

Each of the three properties offers its own unique character and living space. The 2/3 bedroom family home sits proudly, with far reaching views over the Howardian Hills and the majestic Castle Howard.

Two additional three bedroom bungalows share the ample outside space, driveway and parking.

The property is situated within the heart of Welburn village, which offers a variety of local amenities including award winning country inn and restaurant, café, delicatessen and bakery, village hall with an active community, and primary school. The ever-popular market town of Malton, with its extensive shopping and transport facilities is less than 5 miles away, and Welburn provides easy access to the A64 for commuting to York and Leeds further afield.
