Continuing to the second floor landing you will find two further double bedrooms, an

incredible size loft space stretching over 32ft and an additional refitted bathroom also comprising a four piece suite. There are stairs here leading up to a converted loft space which is currently being utilised as a bedroom with an ensuite. This conversion is subject to relevant planning & building regulations.

Character features include gorgeous bay & sash windows, original Victorian patterned flooring, original working fireplaces, stained glass windows, beautifully high ceilings and much more.

The low maintenance rear garden is generous in size and is predominantly patio throughout with a small lawn.
