WHAT'S GREAT?

A spacious two bedroom apartment offered to the market with Oscar James and presented in great condition throughout. There are views over a large park and green space to the front whilst also benefitting from communal well kept gardens to the rear.

Positioned on the top floor, the entrance hall leads into the accommodation where you will find a spacious lounge/diner with the brilliant addition of a balcony overlooking the park. The refitted kitchen is modern and boasts some integrated appliances. We also love the fact there is an additional large balcony to the rear which can be completely enclosed with sliding glass windows creating the perfect sun room.

Continuing through the apartment there are two generous double bedrooms and the family bathroom comprising a three piece suite.

Externally the communal lawned gardens offer great space plus a BBQ area, washing lines & newly fitted private and secure storage. In addition as mentioned previously you have the

park/green space on your doorstep.

To conclude there is ample space on offer aswell as plenty of storage this would make the perfect first time buy or investment property!
