WHAT'S GREAT?

Oscar James are proud to present to the market this unique opportunity to purchase this fantastic home sitting on a generous plot of approx. 0.4 of an acre and is accompanied by panoramic countryside views. Situated on the outskirts of the desirable market town of Leighton Buzzard this home boasts almost 3000 sq. ft of property plus ample off road parking, a triple garage, workshop & a huge purpose built outhouse. This is a hidden gem and with a highly motivated vendor we urge viewings at your earliest convenience to appreciate everything this rare find has to offer!

Entered via electric gates you are greeted with an extensive driveway and a glimpse into those scenic views. The property itself has two entrances one at the side and one to the front. The inviting entrance lobby is a lovely size with Velux windows along with a courtesy door out to the garden plus internal doors leading to the ground floor accommodation, workshop & garages. The impressive kitchen/diner has been refitted with a stylish gloss finish comprising some integrated appliances whilst also paired with a large utility room & cloakroom. The generous lounge features a stunning Inglenook fireplace and flows perfectly into the sun room boasting views over the rear garden.

To the first floor are four double bedrooms and the family bathroom comprising a four piece suite. The Master bedroom benefits from plenty of built in storage plus the addition of a four piece ensuite.

Externally the manicured rear garden consists of a large lawn, great size patio and decking creating ideal seating areas. The current owners built a well designed outhouse which previously served as a brilliant games room and spans over 31ft. This versatile space could be used for a multitude of options.
