Agent's observation

1, Margaret Grove is a traditional semi-detached house that occupies a generously sized plot with a wrap around garden which extends across three aspects of the building.

Ofsted 'Good' schools are within the immediate vicinity, but the catchment area allows access to other highly regarded schools.

A new resident will also embrace close proximity to the Hessle town centre with its abundance of convenience stores, boutiques and dining facilities which are hosted in The Square and The Weir. Highly accessible transport links provide access to nearby retail parks and the Humber bridge with scenic views of the River Humber, and nature trails through Little Switzerland.

The property would benefit from a degree of modernising throughout, however this makes it ideal for a growing family seeking a home they can implement their own taste of cosmetic design upon without paying a premium for another's. Alternatively, an investor wanting to undertake a renovation project to either re-introduce to the market or install a tenant may also wish to arrange a viewing.
