

338 Euston Road

Regent's Place

We offer three types of
office space at 338 Euston Road.

Plug & Play

Furnished workspaces ready
for immediate occupancy.

Category A

Refurbished workspaces for
you to make your own.

Storey

Bespoke workspaces designed
to your exact specifications.

The building

Perfectly placed

Nestled between Camden, Regent's Park, Fitzrovia, Euston and Marylebone.

Well connected

Five tube stations within eight minutes' walk and close to St Pancras for international travel. Easy access to Euston.

Innovative design

A re-imagined reception featuring a triple height living wall, the latest in efficient LED lighting and intuitive spaces to work, meet and unwind.

Support on hand

On-site management by British Land with experienced staff always happy to help.

Make it your own

13,266 sq ft of fully refurbished Grade A office space that you can make your own, with fantastic views and a top floor roof terrace.

Commuter friendly

166 bike racks, 22 showers and spacious changing rooms for men and women.

Building Sustainability

An aerial photograph of a modern building's rooftop garden. A wide, paved walkway runs diagonally across the roof, flanked by lush green plants and grasses. Several people are walking along the path, and some are sitting on wooden benches. The scene is bright and sunny, with long shadows cast across the pavement.

Reduce, reuse, recycle

338 Euston Road's new Plug & Play space has been recycled and upcycled to reduce the amount of waste and CO2 from disposal.

Supporting our local community

All old furniture, equipment (where safe to do so) from 338 Euston Road has been donated to local community groups, providing them with much needed materials and further reducing our environmental impact.

A building that cares

At Regent's Place we take our role on sustainability seriously with 100% of our campus using energy produced from renewable hydro, wind and solar sources, supplied by Smart Energy and tap water volumisers installed at 338 Euston Road with the aim to reduce water usage 70%.

Future proofing

As part of Regent's Place, you can help build a more responsible future by signing up to the responsible practices in your building, the campus and the wider neighbourhood.

338 Reception

A buzzing campus with a sense of community

New perspectives

Located at the intersection of Fitzrovia, Camden and London's Knowledge Quarter, Regent's Place is a vibrant 13-acre neighbourhood with 20,000 people that work, live or visit here every day.

Always something to do

Regent's Place is all about connecting people and that is why we run a yearly calendar of socials, talks, workshops and purposeful events, like 'The London Green Film Festival' for everyone to take part in.

Good neighbours

Regent's Place is surrounded by some of the most progressive companies in tech, science, media and retail meaning we're never short of inspiration for our programme of activities run throughout the campus

Conscious Living

To help better the balance and keep your mind and body healthy we run weekly fitness programmes, healthy workshops and delicious food festivals for you to enjoy with friends and colleagues, old and new.

Conscious Campus

Community Fund

The Community Fund is a unique business-led initiative run by businesses at Regent's Place, coming together to support local grass roots charities and organisations and making a real difference in the local area. The Fund focuses on projects that support social cohesion, skills and access to employment and healthy living.

Community partners

We have strong partnerships with over 40 neighbouring community organisations who we work with year-round. Hosting 120+ activities and events; connecting businesses with local partners for acquiring new talent, supporting business CSR agendas and facilitating community engagement.

Responsible campus

We strive to continuously improve both the immediate environment of our neighbourhood and the wider planet through our responsible initiatives on campus. For example, working with occupiers in 2018, the Plastic Shake Up single plastic awareness campaign, has led to a reduction in the disposal of plastic containers by 7,904 per year across the campus.

A London neighbourhood like no other

The gateway to the West End, this is an area influenced by its famous neighbours – but still very much its own place.

You'll find us at the cross-section of Camden, Fitzrovia and the Knowledge Quarter, and within walking distance of Regent's Park, Euston and Marylebone.

The neighbourhood is a curious mix of culture and cool. From trendy pop-ups to historic museums, famous venues to independent cafes, there's always something new to discover.
