LOCATION

Dundee is Scotland's fourth largest City and is the regional centre for employment, services and retailing within Tayside. The City has its own airport with daily flights to London (Stansted) and sits on the main East Coast Railway Line which runs services into London (Kings Cross).

The subjects are located within an established trade centre on the north side of Clepington Road, a main thoroughfare to the north of the City Centre. There are a number of established occupiers within the development including **George Boyd**, **Auto Save** and **Highland Industrial Supplies** along with a number of local retailers.

The site is located adjacent to Barratt Homes' Keiller's Rise housing development which will provide a combination of houses and flats totalling around 220 units.

DESCRIPTION

The subjects comprise two mid terrace trade counter units, of steel frame construction, with block walls, metal cladding and a pitched roof. The properties feature a metal framed and glazed pedestrian door to the front, with delivery access to the rear.

The development benefits from substantial private customer car parking to the front of the premises. The property is currently equipped as a trade counter but offers the opportunity to be converted into a range of commercial uses, subject to the relevant planning consents. Units 2 and 3 can be let in either isolation or combination to suit requirements. The premises have recently been refurbished by the landlord including installation of a new roof.
