OVERVIEW

Copperworks 2 (formerly known as Scheme 3), is split into two areas, Unit 1 currently leased to Stagefreight Limited, and the remaining area providing from 50,000 sq ft up to 140,000 sq ft of industrial/distribution accommodation with the potential to be refurbished to suit requirements. The property benefits from being in an excellent location just 1 mile from both Junction 44 (M1) and Junction 7 (M621), with Leeds City Centre just a few minutes drive away. Further storage/parking land is available on request.

A total workforce of 2 million people living within 30 minutes drivetime of Leeds City Centre

Leeds is fast changing with £4.4bn invested in commercial property over the last 10 years and a further

£5.9bn

of developments currently under construction or in the pipeline

Leeds is the largest city region outside of London, economically bigger than nine EU countries with a GVA of

£56bn

An estimated city population of 751,500 people (taken from the 2011 census)

The industrial sector performing well, and a diversity of occupiers, all contribute to making Leeds the UK's largest manufacturing centre outside of London

top 5

For the last five years, ranked within the top five UK cities with the lowest unemployment
