THE SCHEME

Bolton 45 is strategically situated at the heart of Greater Manchester, less than 1.5 miles from junction 6 of the M61.

AERIAL OF CURRENT SITE

Bolton 45 is in an ideal location to serve not only the Greater Manchester conurbation, but the wider North West region, with easy access to the M6, M60 and M62 motorways.

Bolton 45 is the final opportunity at this well-established and successful industrial and logistics location, easily accessible to a large and suitably skilled workforce. Bolton has the second highest employee base in Greater Manchester, with wages below the regional average.

Bolton 45 benefits from easy pedestrian links to Westhoughton train station, with regular services between Manchester and Wigan, as well as being in close proximity to a number of bus routes, which serve the surrounding area.

THE OPPORTUNITY

SUSTAINABILITY

Sustainable as standard

Benefit from a high standard specification, targeting BREEAM 'Excellent' to prioritise energy efficiency and reduce operating costs.

Building fabric designed and constructed to very high standards of insulation and air-tightness

15% rooflights to warehouse roof resulting in a high level of natural daylight reducing need for artificial lighting

Roof-mounted solar photovoltaic (PV) system

Rainwater harvesting

Water saving taps and WCs

Water leak detection

Electric vehicle charging points in the car park

Cycle parking

Sub-metering of energy consumption

ESG

Meets environmental & social standards
