LOCATION

Northumberland is a county in North East England, bordering Scotland, with a **population of just over 319,000 people**.

Northumberland is known for its beautiful countryside, including the Northumberland National Park, as well as its historic castles and villages. The county is also home to a number of beaches, including Bamburgh Beach and Embleton Beach, as well as picturesque villages, such as Seahouses, Amble, and Morpeth.

Ashington is a popular commuter town in Northumberland, located just a short drive from Newcastle upon Tyne.

Easy access to the A1 and A19 road networks

Newcastle International Airport is located 15 miles away

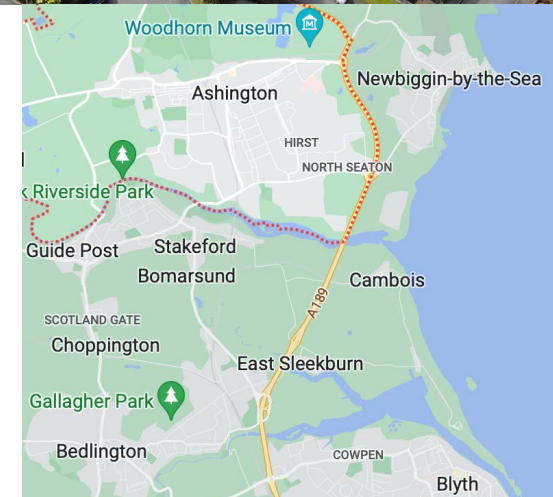

Newcastle Central Station is approximately 20 miles south in Newcastle City Centre

The property is located south of Ashington Town Centre, close to a number of amenities, including shops, restaurants, and green open spaces. The property is also within walking distance of the town centre, Ashington Leisure Centre and Bus Station, providing ease of access to Newcastle city centre and other cities in the UK

There are a number of landmarks nearby, including the Jack Charlton Statue, Woodhorn Colliery, and Hunkleton Stone. The Queen Elizabeth II Country Park is also within easy reach.

Ashington has a strong range of schools, catering for children of all ages including Ashington Academy, comprehensive school as well as a number of primary schools, including Ashington Hirst First School, and Newbiggin Middle School. Wansbeck General Hospital and Ashington Community Football Club are also nearby.

Cooplands is a British bakery and food retailer. It was founded in 1869 and has over 100 stores in the North East of England. It is known for its fresh, locally-sourced products and its friendly customer service. Cooplands was recently acquired by EG Foodservice Limited, which will allow the Group to utilise the wider EG Group in order to accelerate growth.

The tenant has reported the following trading figures:

Coopland & Son (Scarborough) Limited	31st March 2022	31st March 2021	31st March 2020
Revenue	£68,112,442	£52,119,350	£53,400,337
Pre-tax Profits	(£770,726)	£1,351,034	£815,565
Shareholders Funds	£13,330,821	£14,170,285	£13,860,747

Osprey Charging Network Limited is a leading electric vehicle (EV) charging network operator in the United Kingdom. Osprey operates a network of over 600 rapid and ultra-rapid EV chargers across the UK, making it one of the largest and fastest-growing EV charging networks in the country. Osprey's chargers are open-access, meaning that any EV driver can use them, regardless of their make or model of vehicle.

Osprey is committed to sustainability, and all of its chargers are powered by 100% renewable electricity. The company is also working to make its charging network more accessible, and is installing chargers at accessible locations and retrofitting older sites to meet new accessibility standards.

In 2021, the company raised £65 million in investment to fund its expansion, and it has built a network of over 600 rapid and ultra-rapid EV chargers across the UK.

SERVICE CHARGE

The annual service charge is currently £10,300 per year (only £0.98 per sq ft) and is fully recoverable from the tenants.

VAT

The property is elected to VAT and it is therefore envisaged that the sale will be treated as a TOGC.

There are no unclaimed Capital Allowances available with the property.

To comply with our legal responsibilities for Anti-Money Laundering, it is necessary to check all parties involved in this transaction. It is the responsibility for parties on both sides to provide information necessary to complete these checks before the deal is completed. We will therefore require the following information:

- Corporate structure and ownership details of purchasers
- Identification and verification of ultimate beneficial purchasers
- Satisfactory proof of the source of funds for the purchasers

These particulars shall not form part of any offer or contract and the seller makes no representations or warranties, express or implied, as to the condition of the property or the accuracy of any information provided in relation to the property. Any prospective purchaser is not to rely on any representation made in these particulars and must satisfy themselves as to the accuracy by their own investigation before entering into any contract.
