Home, Changes Everything

A fine example of its kind! Very much upgraded and attractive throughout, whilst occupying a lovely position with southerly rear garden, garage, drive and front garden, and looking forwards toward greenery.

The impressive refitted kitchen is a feature worthy of special mention, open to the spacious lounge/dining room, helping deliver a modern, open-plan feel, whilst the individual spaces are still very practical.

A rear 'roofed' conservatory further enhances the accommodation, benefiting from under-floor heating, whilst making the most of the lovely south-facing rear garden.

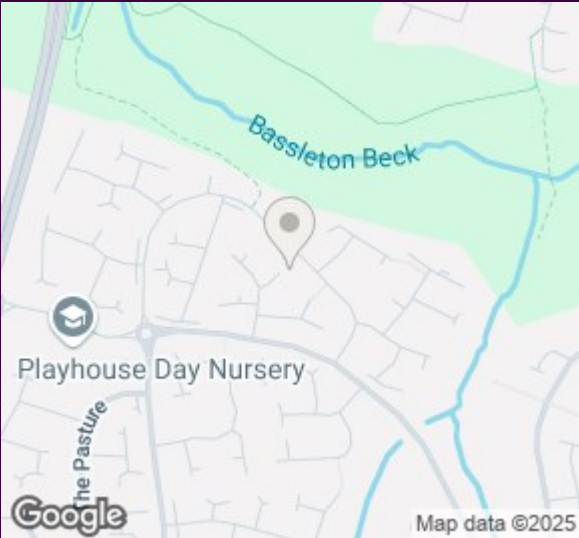

Briefly, the accommodation comprises an entrance hall, 23ft plus lounge/diner, impressive refitted kitchen with breakfast bar incorporated, utility, cloakroom/WC and conservatory to the ground floor. The first floor brings three bedrooms, the 'Master' with a walk-through robe area, and modern refitted ensuite, separate family bathroom.

The rear garden is fully fence enclosed, established and well-maintained, with lawn and near end patio. Complimented by the front lawns garden, with a drive the approaches the garage.
