IH INGLEBY HOMES

Modern, spacious, refurbished and available with 'No Forward Chain' - call Ingleby Homes to arrange your viewing of this attractive three bedroom property.

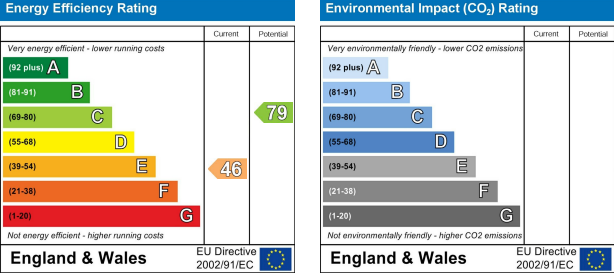

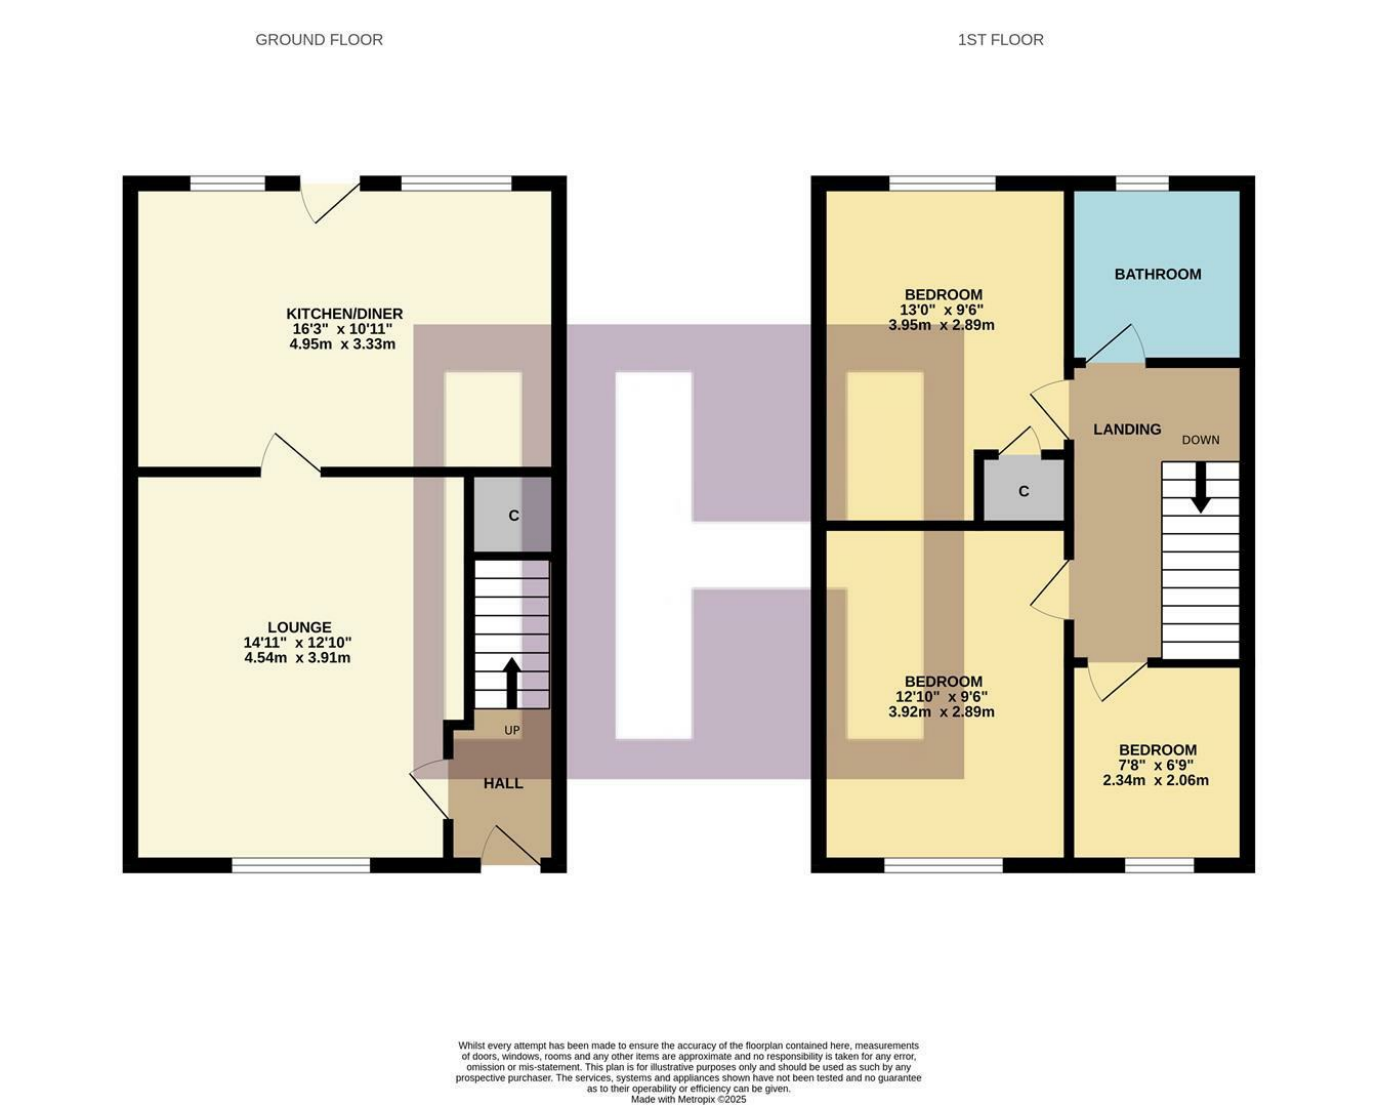

Deceptively spacious, on the ground floor the internal accommodation briefly comprises an entrance hall, lounge, and separate 17ft plus kitchen/diner - with a range of built in units, and newly installed cooker/hob. The first floor delivers three good bedrooms, and the separate modern family bathroom.

Enjoying fresh décor and replaced carpets, whilst being warmed by electric heating, the property is turn-key ready and will make an ideal first purchase, or buy to let in particular.

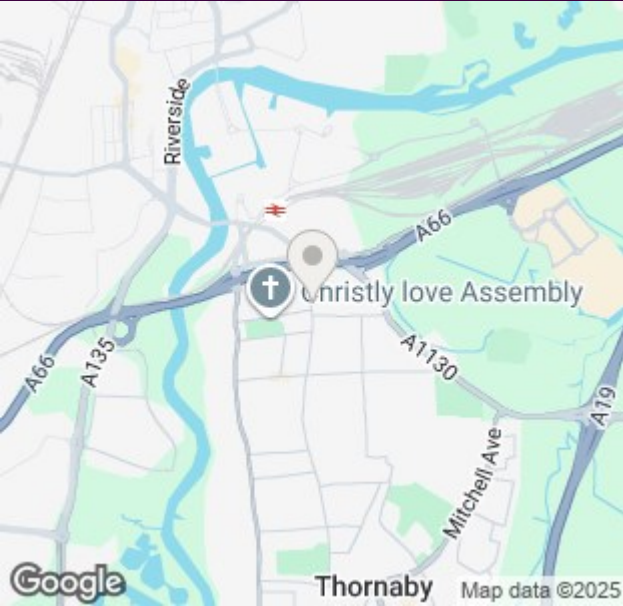

A front garden has been recently re-fenced, laid to lawn with gated path to the entrance. The rear garden, also re-fenced, is low-maintenance and laid to pave, with a carp park behind allowing ample parking.
