IH INGLEBY HOMES

Situated within this desirable 'Sober Hall' location, very much improved and delivering extended living accommodation, early viewing is certainly advised when it comes to this lovely four bedroom detached property.

A full-width ground floor extension has significantly enhanced the living space, and is open-plan to both the superb refitted kitchen, and separate lounge, not only adding a 21ft plus family room, but helping to create lovely flow on the ground floor, which also offers an entrance hall, cloakroom/WC, and further sitting/play room.

The first floor provides four good bedrooms, two with fitted, sliding 'mirror' robes, and the 'Master' enjoying a modern refitted ensuite, complimented by the separate refitted family bathroom.

The rear garden is another lovely feature, beautifully landscaped, and fully enclosed. With re-laid patio/path, artificial lawn, gravelled border and a variety if established planting, greenery and shrubs. To the front a double-width drive allows off-road parking and approaches the integral garage, with a sleeper-built planter bordering the side.
