

Spencer Drive, Norton

Asking Price £189,995

IH INGLEBY HOMES

Built to the very popular 'Souter' design, and very much improved since new in 2020. Immaculately presented, chic and especially stylish, early inspection is strongly advised.

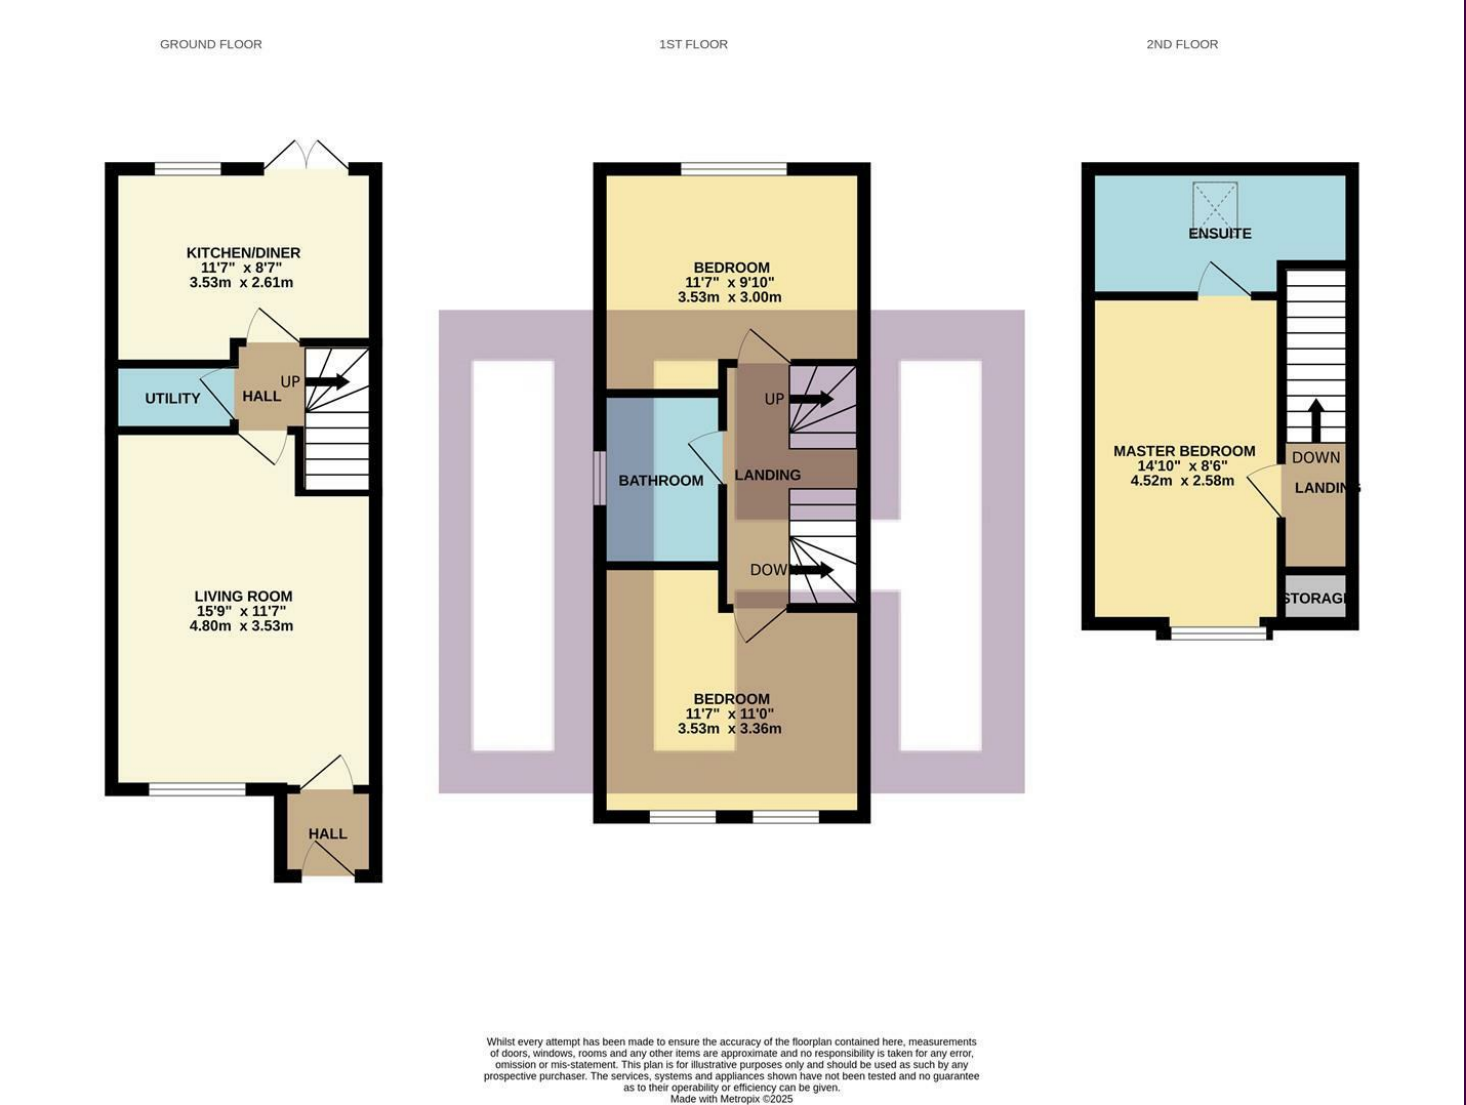

Enjoying an end position within this modern, sought after development within Norton, close to fantastic amenities and transport links, which will appeal to a wide range of potential buyers.

Internally, the superb media-wall within the lounge, feature panelling and adapted utility space are all features worthy of special mention, whilst this design delivers three double bedrooms, something that other options struggle to compete with.

Briefly, the accommodation comprises an entrance hall, lounge, inner hall, utility adapted from a cloakroom/WC (but easily reversable), and open plan kitchen/diner on the ground floor. The first floor brings two of the bedrooms, and the modern family bathroom. A further 'Master' bedroom with impressive ensuite is found on the second floor.
