1 Terrace View Coldharbour, Sherborne DT9 4AF

'1 Terrace View' is a simply lovely, natural stone, period, end of terrace cottage situated in a very sought-after address on the edge of this popular Dorset town. It is the largest in terrace and this rare home boasts private driveway parking for two to three cars leading to a detached garage. This is very rare for a cottage of this nature in the town. It boasts a beautifully presented, generous, level, lawned rear garden with patio. The cottage has scope to extend at the rear, subject to the necessary planning permission. It benefits from excellent levels of natural light from a sunny southerly aspect at the front. The house is enviably free from the restrictions of Grade II listing and retains much original character including excellent ceiling heights, an open feature fireplace and second fireplace recess with cast iron log burning stove. It is heated by mains gas-fired radiator central heating, some electric under floor heating and benefits from uPVC double glazing. The property has a modern kitchen fitted and useful ground floor WC / utility room. The well-arranged, deceptively spacious accommodation (1201 square feet) comprises large sitting room, generous dining room, kitchen, rear lobby and utility room / ground floor WC. On the first floor, there is a landing area, two large double bedrooms and a large family shower room (formerly incorporating a bath). The property has countryside and town centre walks not far from the front door – ideal as you do not need to put the children or the dogs in the car! It is a short walk to the stunning, historic town centre of Sherborne with its coveted boutique high street and bustling out and about culture, markets, cafes, Waitrose store, restaurants, world famous private schools, breath-taking abbey building and mainline railway station making London Waterloo in just over two hours. Sherborne has also recently won the award for the best place to live in the South West by The Times 2024. THIS RARE HOME MUST BE VIEW
