Entrance gained via timber and double glazed door with leaded glass into entrance porch with built in cupboard, ceiling light, central heating radiator, tile floor and timber and glazed stable style door gives access out to the side garden.

INNER HALLWAY

Further doors open to the inner hallway with built in cupboards where we find the boiler, which we are informed was installed in June 2023. There is ceiling light, central heating radiator, tile floor, timber double glazed window to the front with stone sill.

DINING KITCHEN

An excellently proportioned dining kitchen with ample room for dining table and chairs, the kitchen itself has a range of wall and base units in a wood effect shaker style with contrasting solid granite worktops with matching upstands, tile splashbacks and tiled floor. There is space for a range cooker with granite splashback and chimney style extractor fan over, there is an integrated slim line dishwasher, housing for an American style fridge freezer and a Belfast style ceramic sink with chrome mixer tap over. The room has inset ceiling spotlights, exposed timber beams, central heating radiator and staircase rising to the first floor with useful cupboard underneath and further store. There is a timber double glazed window to the front and twin French doors opening through to the garden room.

GARDEN ROOM

An addition to the home added by the current vendor, this offers a superb aspect overlooking the adjoining river with uPVC double glazing to three sides. There are inset ceiling lights, three central heating radiators allowing all year round usage and twin French doors giving access to the decking. From the dining kitchen, a timber and glazed door leads through to the living room.

LIVING ROOM

An excellently proportioned principal reception space oozing character with an abundance of original features in the form of exposed timber beams and stonework including stone mullioned fireplace with multi -fuel stove and exposed stone shelving. There are numerous wall lights, central heating radiator and timber and double glazed windows to the front and two uPVC double glazed windows to the rear, the room is finished with a wood effect laminate flooring.

CONSERVATORY

An excellently proportioned addition to the home, providing versatile reception space with ample room for lounge or dining furniture. Under a pitched roof, there is uPVC double glazing to three sides with twin French doors giving access out. The conservatory has views towards the river, two ceiling lights each with ceiling fan, three central heating radiators allowing all year round usage and wood effect laminate flooring.

BATHROOM

Back from the inner hallway we find the bathroom, comprising of a four piece white suite in the form of close coupled W.C., pedestal basin with chrome taps over, free standing roll top bath with chrome mixer tap and phone style shower attachment and shower enclosure with Triton electric shower within.
