

WALTON MEADOW

WELLESBOURNE

YOUNGMAN LOVELL

At Youngman Lovell we challenge the status quo in architectural design and building performance. We believe that the introduction of beautiful, homes with carbon-neutral capability, will help positively impact the future of design, as well as being the driver to meet our overarching goal of creating positive change while simultaneously reducing our impact on the environment.

We hope you share our vision and look forward to welcoming you to Walton Meadow.

WALTON MEADOW

Youngman Lovell is excited to present Walton Meadow, our new development of 10 Self or Custom build plots in Wellesbourne, Warwickshire.

Each building within the development will be designed by plot purchasers, therefore contributing to making a unique place.

- No VAT on building costs
- No CIL applicable
- Reduced Stamp Duty
- Full autonomy over design

* All items subject to contract
