Accommodation

The Shambles is a charming and extremely spacious cottage, brimming with character features and offering very flexible and particularly spacious accommodation of approximately 1750 square foot in total.

The property has been much loved and whilst well maintained, it now offers the opportunity to update, but with so much scope and potential, it provides an exciting opportunity for the new owner(s) to revive this historic dwelling. With five reception rooms, the cottage is sure to suit a variety of potential purchasers, not least families or purchasers who work from home. The property benefits from full fibre for super-fast broadband. Exposed beams, stone flagged floors and lovely attractive fireplaces are just some of the character features.

On the ground floor there is a garden room flooded with light, dining room with a vaulted ceiling and amazing feature beams, kitchen with a range of fitted units and a gas fired Aga with AIMS, cozy mezzanine family room, inner hallway with stairs rising to the first floor, living room with front entrance door and a fireplace with wood burning stove, snug/study and a good size utility room. To the first floor there is a landing, three bedrooms (two good size doubles with display fireplaces) and the house bathroom, fitted with a white suite including a rolled top bath and separate shower.

Externally there is a pretty cottage garden to the front, with steps leading up the front door. Off street parking and a large garage (5.21m x 3.86m (17' 1" x 12' 8")) are located to the side of the property, with double doors and a further side entrance door. Steps lead up to the garden, which is mainly laid to lawn, with stocked borders and an extensive patio sun terrace over the garage, perfect for entertaining.

Situated in the ever popular and picturesque village of Markington, the property is ideally placed for access to both Ripon and Harrogate, whilst the open countryside is available on the doorstep.

Properties of this size, with so much character, are rare to market and an early viewing is advised.
