A charming and characterful, Grade II Listed thatched cottage situated on Windsor Green within the village of Cockfield. The property is believed to have features dating back to the 14th Century and has been lovingly cared for, updated and maintained by its current owners. The property retains many original features and has well laid out accommodation to include entrance hall with wooden latch doors leading off to the sitting room with an Inglenook fire place and to the dining room. There is a large kitchen breakfast room where the kitchen has been re-fitted with bespoke units as well as an oil fired Rayburn (also heats hot water and provides central heating) along with a wonderful walk in pantry, in addition to this, there is a light and airy garden room.
