PROPERTY SALES & LETTINGS

Interact with the virtual reality tour and contact Forest Marble 24/7 to arrange your viewing of this pretty cottage style home that is found in a very desirable and unique location in the Somerset hamlet of Tytherington. Tytherington sits just to the South of Frome and in recent years has become a well known and well thought of destination for both locals and tourists. The house itself boasts accommodation across two floors with the ground floor benefitting from a large living room complete with log burning stove, as well as generously sized kitchen diner to the rear aspect that looks out over the back garden. Upstairs you have three bedrooms including en-suite shower room to the primary bedroom, along with a family bathroom. Peace Cottage is one of a pair of Semi-detached homes that enjoy this location and enjoys a large driveway and detached single garage to one side. Externally there are gardens to both front and rear, and we are advised that there may be the potential to extend the rear garden in the future subject to relevant agreements. What our vendor Loves

Our seller tells us that this is a wonderful location to live and that the local community is thriving and generous. There is an awful lot going on in the hamlet for a quaint, tucked away location and the people here are warm, friendly and welcoming. Less than a minute away from the front door you have a fabulous cafe, a heated indoor swimming pool that caters for all ages including weekly baby swimming sessions, a fishing lake, as well as park and gardens that are a wonderful walk or outing for the whole family. In fact, there are rural walks in almost every direction from here so for families, dog owners, or if you just love getting into nature this is a perfect place to be. Your visitors will also have a choice of places to stay if they visit; there is camping available at the Fox or B&B accommodation at The Lighthouse, both of these are within moments of the house. Frome is also really easy to reach from here, it's just a few minutes in the car and we are informed that you can walk there cross country should you fancy a slightly longer jaunt into the town.
