### **What Our Vendors Love**

Having spent a few years now in this home our clients have loved how easy other can reach the independent shops, Lidl Supermarket, restaurants and amenities of the town and in particular how easy it is to hop on a train or a bus to reach Bath for lunch or an afternoon out. The house is also very light, being on the end of the terrace they have a lovely open aspect to the side of the house which means they have a great view over the green opposite and rooftop views across Rodden Meadow and onto the Rodden Road area. The garden is ideal for their family too as it is low maintenance and gets a pleasant amount of sunlight. We are told that they also found the main bedroom suite a massive attraction when they first saw this home and the space it offers, including storage is fabulous and they will miss the peace and quiet up there too.
