Description

Hidden behind a discreet gated entrance, Rubber Studios is a newly constructed mixed use development, the ground floor of which comprises 1,350 square feet of open plan studio space. With incredible attention to detail, every aspect of the design has been carefully considered from the underfloor heating, to the repositioning of the original Crittal window frames to create bespoke meeting room partitions.

The occupiers will benefit from outside courtyard garden space, landscaped with bamboo planting, full height sliding glazed frontage, timber flooring and exposed concrete finishes to the walls and ceilings. With an open plan DDA compliant stainless steel kitchen, the majority of the space is open plan save one partitioned meeting room, in addition there are WC and shower facilities.

Location

Situated less than three minutes' walk from Hackney Wick Station, the premises are ideally located for the amenities of Hackney Wick including the bars and restaurants of Wallis Road and King Edwards Street, including Crate Brewery, Cornerstone, The Lord Napier pub, Sainsburys Local and the newly opened cross fit gym at the nearby Bagel Factory. Transport links are excellent, with Hackney Wick Overground Station being one stop from Stratford International which is also home to Westfield Stratford which is one of Europe's largest shopping malls, providing various eateries, retailers, a cinema and other leisure operators.
