This is a great opportunity to put your stamp on this house which has great potential and is set in the very popular area of Bishopston close to all the amenities on Gloucester Road.

This three bedroom house has great sized living accommodation with three reception rooms and a good sized kitchen. Upstairs on the first floor are three double bedrooms and a bathroom. On the second floor there is a good sized loft room. Just be aware the loft space is not classed as a bedroom as it is accessed by very narrow steps.

The property is in need of updating but has double glazing throughout and a Worcester boiler. It also has some great features including some decorative fireplaces and cornice.

Outside to the front is a small garden and to the rear is a private garden which is paved and has a pond.

The house is in a great location within walking distance to all the amenities on Gloucester Road which has a huge array of independent shops, cafes, restaurants and bars and great transport links.
