## PROPERTY SUMMARY

We are delighted to offer for sale this beautiful detached property, built and formerly used as a family home for over 20 years before being converted to a Guest House, which is situated on the ever popular Hill Head Road with beautiful views across the Solent and Isle of Wight from the ground and first floor. The property is seconds away from Hill Head Beach and close to Titchfield Nature Reserve. We believe this to be perfect for someone looking to put their own stamp on their forever family home. Subject to the relevant planning permission there is also great potential for development. Benefits to this property include 6/7 bedrooms, 5 bathrooms, a sun lounge with sea views and a large rear garden. Other benefits include ample off road parking for multiple vehicles and an EV charging point. A particular feature is the Atrium Ceiling that is still used to filter light from the roof to the main dining area. This property really does need to be viewed to appreciate all that is on offer.
