PROPERTY SUMMARY

Comprising of approximately 7160 square feet, this impressive family home is situated on Hill Head Seafront and boasts panoramic views across the Solent to the Isle of Wight. The current owners have extensively renovated and extended the property, adding a heated swimming pool with deck, a fully equipped, sea-facing gym and a sleek office with vaulted ceilings. This detached home comprises of six bedrooms, four bathrooms and five reception rooms and still has scope to expand further due to the property's extensive plot. The property is positioned nine meters above sea level and the decked balcony on the first floor overlooks the spectacular beach side views. There have been plans previously drawn up and approved to build a separate dwelling (detached bungalow) on the land and this potential remains, subject to appropriate planning. Further to this, there is valid planning permission for a kitchen extension (please see plans with brochure). The house faces south and enjoys a sunrise from the bottom of the garden to a sunset from the new balcony. Just a few further benefits include driveway parking with new electric gates with Number Plate Recognition and Facial ID recognition entry system, a triple garage with electric doors and a brand new gas central heating system as well as fully rewired electrics. With a private pathway leading to the seafront just 20 meters away, this coastal property could be perfect for those looking to live in a touch of paradise.
