A Rare Coastal Opportunity – Panoramic Views & Endless Potential on The Serpentine North, Blundellsands

Berkeley Shaw is delighted to present this exceptional detached residence on one of Blundellsands' most prestigious roads. Perfectly positioned, the property enjoys uninterrupted panoramic views across Crosby Beach, the iconic Antony Gormley 'Another Place' sculptures, and out over the Irish Sea towards the Welsh mountains—an outlook that changes with every tide and season.

Offered with no onward chain, this is a rare opportunity to create a dream home in an unrivalled coastal setting. The house requires some modernisation but offers a substantial layout and incredible potential to renovate, extend or redevelop (subject to consents).

The accommodation includes a spacious entrance hall, a front study ideal for home working, a bay-fronted lounge with open fireplace, and a dining room with ramped access from the side. A further rear sitting room enjoys fantastic garden. There is also a fitted kitchen, utility room, ground floor shower room, and access to a generous indoor pool complex.

Ascending to the first floor, the bright and airy landing provides access to three double bedrooms and a family bathroom. The standout feature is the master suite, which includes a sitting area with a generous balcony offering breathtaking water views, a bedroom area, and an open-plan connection to a spacious en-suite bathroom. Viewing is essential to appreciate the sunsets from here!
