South Ferry Quay – Three-Bedroom First-Floor Apartment | Water Views | No Onward Chain

Perfectly positioned on the waterfront at South Ferry Quay, this spacious first-floor apartment enjoys fantastic views of the River Mersey from the open-plan living space and from all three bedrooms – a rare advantage even among Liverpool's most coveted dockside developments.

Stepping inside, the generous entrance hall with inbuilt storage cupboards gives access to a bright, open-plan kitchen-diner and living area that frames the river with French doors opening to a Juliet balcony. The kitchen is fitted with a range of integrated appliances, sleek cabinetry and ample work-surface, making entertaining effortless while you and your guests enjoy the water views.

The apartment offers three well-proportioned bedrooms. The principal bedroom boasts its own en-suite shower room, while the remaining two bedrooms share a modern three-piece bathroom. Every bedroom benefits from that same river outlook, so you can wake to boats gliding along the Mersey and finish the day with spectacular sunsets over the water.

Further highlights include efficient gas central heating, residents' parking, and access to a private residents' park. A secure entry system provides peace of mind, and the development's waterside promenade leads directly toward Liverpool city centre, the Marina and Otterspool Promenade for relaxed weekend walks or bike rides.
