Asking Price £375,000

Welcome to this beautifully presented detached home in the heart of the ever-popular Hightown Village — perfectly placed for coastal walks, the sandy beach, local pub, shops and the train station providing easy access into Liverpool city centre.

Originally designed as a four-bedroom property, the home has been thoughtfully reconfigured to offer three generous double bedrooms. The impressive main bedroom now enjoys its own dressing room and an en-suite shower room, with a Juliet balcony allowing plenty of fresh air and natural light. The two further double bedrooms are both spacious and bright, served by a contemporary family bathroom.

Downstairs, the layout is ideal for modern family living. The large L-shaped lounge and dining area opens through double patio doors onto the SOUTH FACING gardens, which wrap around the corner plot and offer excellent space for entertaining or relaxing in the sun. To the front is driveway parking and to the side a lean to style shed ideal for storage.

At the heart of the home is a recently fitted Wickes kitchen, complete with integrated Bosch and Neff appliances, sleek cabinetry and a central island for casual dining and social gatherings.

The garage has been tastefully converted to create a versatile additional reception room could be utilised as a downstairs bedroom, playroom, home office or cosy snug.

This is a wonderful opportunity to purchase a well-appointed family home in one of the area's most sought-after coastal villages.
