Coles Avenue

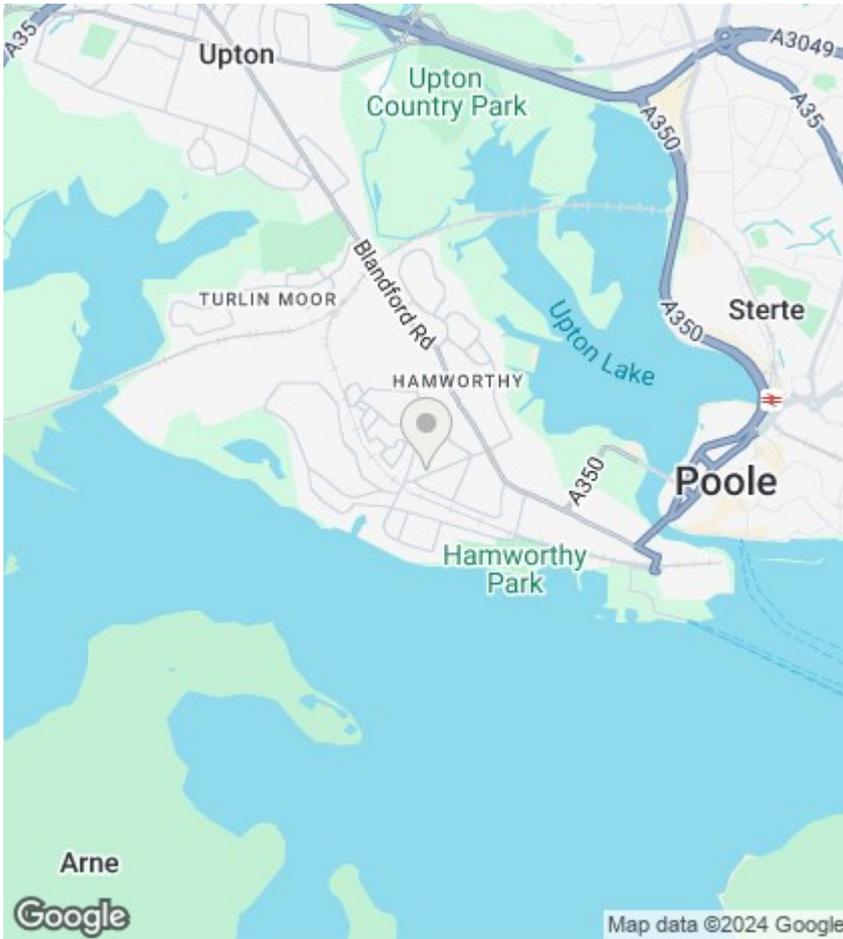

This charming property is exceptionally spacious for a two bedroom house. This is because it was originally arranged as three bedrooms but the accommodation was modified to create two large bedrooms - If desired, a third bedroom could easily be reinstated with a stud wall back to it's original format. The remaining accommodation briefly comprises; lounge, extended kitchen/dining room, conservatory and shower room.

Whilst in need of a certain degree of modernisation, the property is clean and presentable with further benefits to include; gas central heating, double glazing, front entrance porch, garage and ample driveway for several cars.

The garden is a fantastic feature and measures approximately 80-100 feet in length. Westerly facing, the garden will enjoy the sunshine all day but particularly in the afternoon and evening as it sets behind the rear boundary. With a large patio area immediately outside, there is a decking area that leads to a lovely size lawn, which is surrounded by mature trees and bushes.

Offered for sale with no forward chain, we are expecting high volumes of interest and internal viewings come highly recommended at your earliest convenience.
