The well planned accommodation comprises three double bedrooms (two of which have fitted wardrobes), bright lounge/dining room, modern kitchen, conservatory and family bathroom.

A huge plus with this property is the recently installed solar panel system, which works in conjunction with a storage battery. The owners benefit from a healthy feed in tariff, thus meaning low/non-existent electricity bills - ideal for those who own electric vehicles. Further benefits include a driveway, garage, gas central heating, UPVC double glazing and a well cared for rear garden.

The property is located in a popular residential location, just a short distance from Wareham Town Centre. Train links are accessible close by and for Golf enthusiasts, a well regarded club is on the doorstep.
