The accommodation on offer is rarely found with this style of property and is more akin to a larger family home. Briefly, it comprises: three double bedrooms (all of which have built in storage), living room with adjoining dining area, kitchen and shower room.

Throughout there are a number of character features to include high ceilings, sash windows and picture rails - which only enhance the property's appeal. Further benefits include allocated parking, further visitors parking, an enclosed courtyard garden and gas central heating.

With it's position close to Poole Quay, we are anticipating high levels of interest and encourage internal viewing at your earliest convenience. To arrange, or for more information, please call our Upton office!

Agent Note

We understand from the seller that the front facade of the property is subject to a Grade II listing.
