### Redwood Road

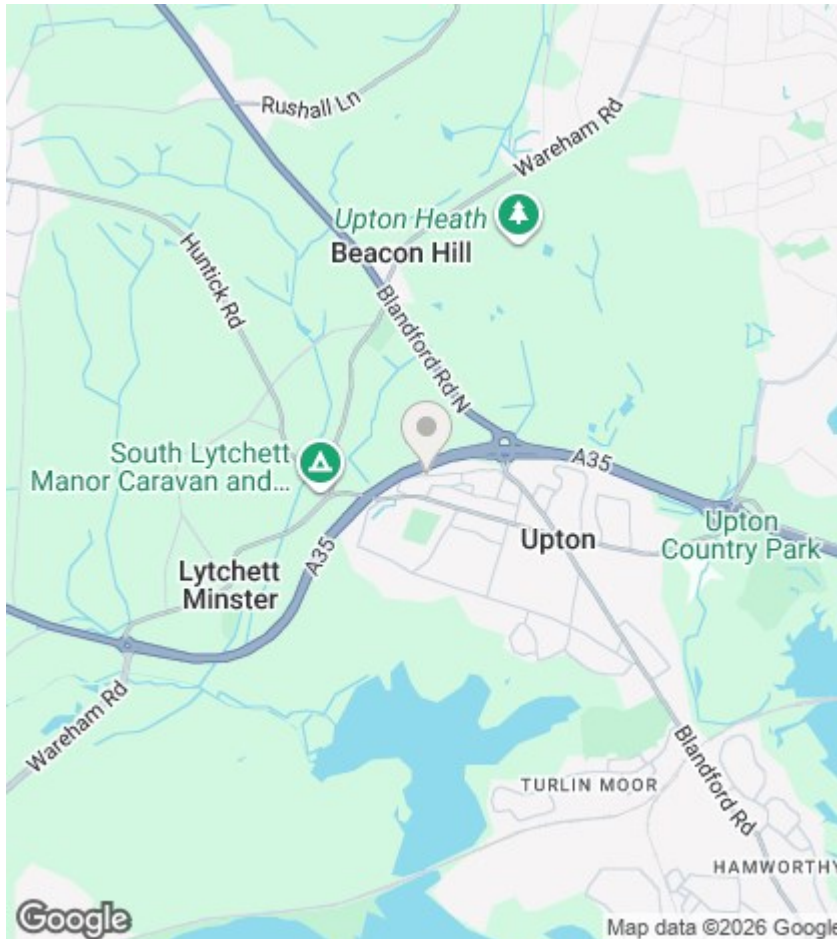

In our opinion, this property would make an ideal first time purchase or buy to let investment. Briefly, the home comprises: two double bedrooms (bedroom one has fitted wardrobes), living room, kitchen/breakfast room and main bathroom.

The garden is majority laid to paving and lawn for ease of maintenance and there is a gate providing rear access. Further benefits include gas central heating, garage in a block and UPVC double glazing.

The property is positioned within the ever sought after 'Beacon Park' development of Upton. A host of favoured local amenities are within easy reach and there's also well regarded schooling within walking distance.

Offered for sale with no onward chain, we are anticipating high levels of interest. Internal viewing is encouraged at your earliest convenience - to arrange, or for more information, please contact our Upton Branch.
