The house has been extended to provide two additional bedrooms and whilst the property has been well maintained it is now ready for a new chapter.

LOCATION

Thatcher Avenue is set slightly away from Torquay town on the headland peninsula of Ilsham, one of Torquay's premier residential areas. Sought after for its peaceful ambiance and stunning views it is close to the friendly village style community of Wellswood with its church, school, pub, restaurants and shops. The south west coastal footpath path is also on the doorstep and leads to the popular beach at Meadfoot with its colourful beach huts and beach café with waterside terrace.

INTERIOR

The front door opens to a spacious hallway with the living room located to the right side, this spacious room draws you in with the large window framing the view across the terrace to the bay beyond. This room provides good space for placement of comfortable furniture which can be positioned to take advantage of the views with a feature fireplace providing an alternative focal point for colder days.

A glazed door leads to the terrace and a wide opening allows the living room space to seamlessly flow into the dining area whilst still maintaining the feel of two distinct rooms. The dining room provides space for a large table making it the ideal place to entertain family friends with the large picture window providing views that sweep around the bay from Thacher Rock in the foreground to the light house at Berry Head in the distance.

From the dining room a door opens to the kitchen which enjoys the same extensive bay views and also has direct access to the sun terrace. This room has been fitted with an excellent range of wall and base units that incorporate some integrated appliances with a wrap-around countertop creating a small breakfasting area in front of the window.

To the rear of the kitchen is a utility room with a sink and plumbing for laundry appliances. A door from here opens to the rear of the house with a path and steps leading to the garden.

VIEWING BY APPOINTMENT ONLY

Returning to the hallway there are two double bedrooms located to the back of the house and both with views towards the rear garden. Bedroom three has a built-in wardrobe and an en-suite bathroom. Completing the accommodation at this level is a family bathroom.

The stairs rise to the first floor where there is extensive eaves storage. The two double bedrooms both enjoy dual aspects where windows have been positioned to take advantage of the stunning bay views. The principal bedroom also has a dressing room and an en-suite shower room.

OUTSIDE

A driveway runs to the side of the plot and gives access to the double garage and front door. The front garden has an area of lawn bordered by mature shrubs with potential to create an additional parking area subject to any necessary consents.

To the rear of the house a pathway and steps lead to the lawned garden which has some mature trees and stunning views over the house to the bay beyond. The double garage has an automated roller door with a door opening to the rear garden.
