St Germans: The older part of the village has numerous character properties and a quaint village atmosphere. A shop/post office, Church, Public House and Village Hall all serve the community here, as well as a doctor's surgery with in-house pharmacy, primary school, mobile library & Scholars restaurant in old school rooms. The local Quayside has moorings and a Club House which also benefit the village and only further serve to make it one of the most sought-after villages in the area. For travel to and from St. Germans, the village benefits from a train station for daily commuting to Plymouth and beyond, but there are also good road links which will take you into Plymouth either via the Tamar Bridge or the Torpoint Ferry.
