What Is Shared Ownership?

Shared Ownership is a way for people who may not normally be able to afford to buy a property on the open market, to be able to purchase their ideal home in an affordable way. Whether it's your first step on to the property ladder, a purchase through a pension lump sum, a change in relationship status or your home simply does not fit your needs anymore.

Shared Ownership allows you to purchase a percentage share of your ideal home, and pay a reduced rent on the remaining shares, with the opportunity to buy more shares when you are in a position to do so.
