There is a good range of shops within yards of the front door and having the promenade on your doorstep means stunning, panoramic sea views and those famous, ever changing sunsets are yours to enjoy every day. The Eden project will be just a walk away. This is the heart of Morecambe. There will be no tenants if property is sold.

Eric's Cafe

An established and well respected local business, Eric's cafe could not be in a better position. The curved glass frontage is elegant and eye catching. The front door is central. All the accommodation is to the ground floor making this a great and accessible establishment. There is a generous run of counter and cold shelf space to the right which opens to the rear catering kitchen. The cafe has plenty of dining space both to the front and the rear. There is a combination of fitted dining booths and free standing table space making it versatile. There is an accessible WC to the rear with baby change facilities and a further two separate WCs. Fire exit doors open to the road at the back. The cafe has gas central heating with a gas combination boiler situated in a cupboard on the rear wall. It has 3 phase electric. There is space to the front for four tables and chairs.
