The Location

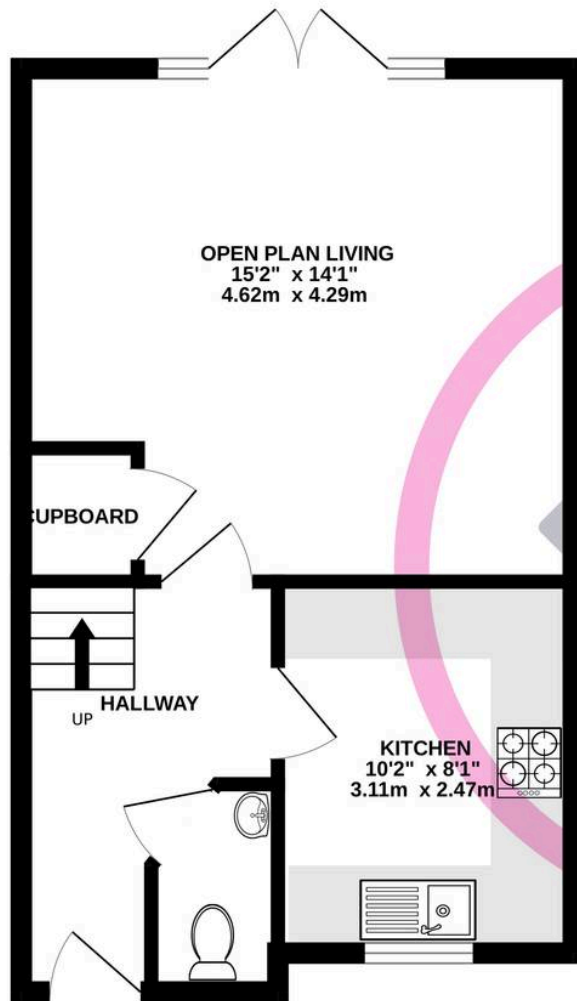

The vendors bought off plan to secure this the super cul de sac location and generous corner position. With an excellent Quayside location this new development enjoys a great setting. The mix of styles and inclusion of green space creates a pleasant environment. The cycle path runs along the Quay meaning family bike rides or walks along the riverside are on your doorstep. Along the Quay itself you will find pubs, the Maritime Museum and much more. The mainline train station is just a mile away and the city centre a short walk from there so all of Lancaster's many attractions and amenities, including the hospital, are easy to access. The M6 junction is also convenient being within three miles so you can see why this development has proved so popular with many local families. There are sought after local schools both primary and secondary within easy reach and both of Lancaster's grammar schools. A superb location for professionals and families alike.

The House

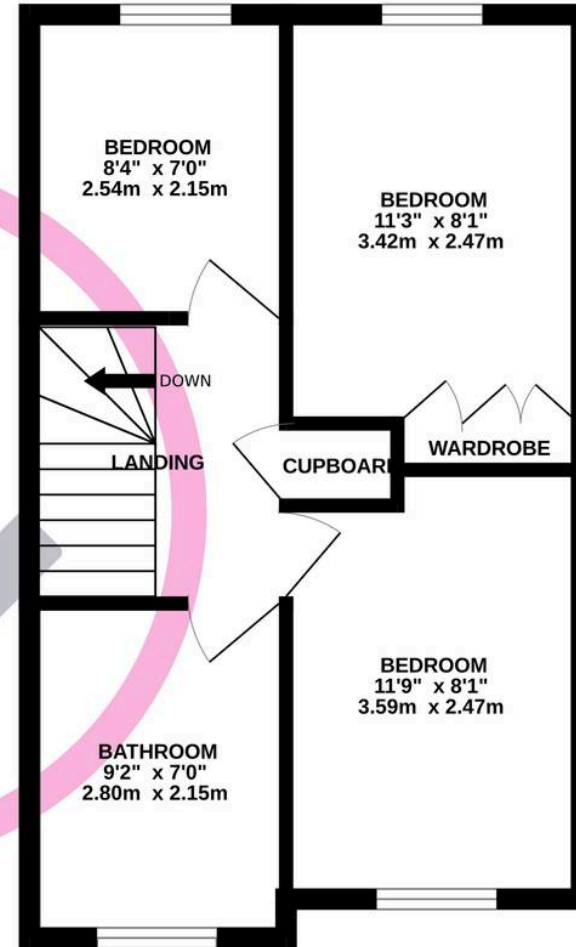

A generous and modern house design where no expense has been spared by the current vendors with upgrades inside and out. The hallway is generous and welcoming and features contemporary décor. The integrated kitchen has cream cabinets with a wood block effect work top and flooring to match. There is an integrated gas hob, integrated oven and extractor hood. The combination boiler the house is located in the corner kitchen cabinet. The generous and open living space has superb French Doors which open to a generous rear garden. Striking contemporary décor makes this the perfect space for entertaining family and friends.
