1 Jubilee Road

Description

This well proportioned period property has a wealth of character set over 3 floors in this popular road and is rare to find in the area. Comprising spacious inner entrance hallway leading to sitting room, dining room, modern fitted kitchen/ breakfast room, further reception room and bathroom to the ground floor. There are 3 double bedrooms and family bathroom to the first floor, and stairs to 2 further double bedrooms above. With UPVC double glazed windows, gas central heating from a recent combination boiler, period fireplaces, plasterwork and much, much more. The house has a well tended garden and a good sized tandem garage/workshop.

"St George is a family area in East Bristol with a strong sense of community. I've loved living here and Jubilee Road is so friendly – we have our own WhatsApp group! There are quite a lot of houses with young families here but there are older residents too. There are several good primary schools (Summerhill, Air Balloon) within 10 minutes walk, and a good choice of nurseries and childminders.
