The property has spacious and versatile accommodation over two floors taking full advantage of the sea views across to St Michael's Mount. The property offers great scope and really needs to be viewed internally to appreciate to the full. The present layout is reverse level living accommodation with adjoining potential annexe linked via a corridor from the ground and first floor. On entering the property an impressive oak and glass staircase leads to all floors along with an individual lift giving access to all floors. The property is double glazed throughout with underfloor central heating and there are solar panels to the roof. To the front of the property there is a gravel parking and turning area along with a raised terrace and access down to integral garage with electric operated door. Sea House is located in a prime position along a small private lane on the edge of Marazion, therefore is conveniently placed for most local amenities with easy access to the sandy beaches and St Michael's Mount. Due to the popularity and rarity of properties such as this we recommend an early appointment.
