The property has spacious well-proportioned living accommodation with much character throughout having been used as a successful holiday let and located in a quiet residential area behind a tall granite wall with a cobbled courtyard. Abbey Stables is a fine example of a period ground floor apartment, which the present vendors have maintained to a high standard and is, therefore, offered for sale in good decorative order throughout. Having been used as a holiday let, the majority of fixtures and fittings can be made available by separate negotiation. To the outside of the property there is an enclosed south facing cobbled courtyard garden with a high granite wall, which creates a good degree of privacy, leading to a parking space. Abbey Stables is located in one of the oldest parts of Penzance, just off New Street, close to the Promenade and most of Penzance's amenities. Due to the popularity of properties such as this, we recommend an early appointment.
