Panoramic sea views over Mount's Bay to St Michael's Mount, Lizard Point and beyond from this character split level detached property, set in large grounds which offer a good degree of privacy and seclusion, yet only a short stroll to the heart of Mousehole. The property has spacious versatile accommodation over three floors, which has much charm and really needs to be viewed internally to appreciate to the full. Sea Haven is unique in style and design and has been extended over the years with the conversion of the roof space which forms a spacious bedroom with en suite, taking full advantage of the views. From the entrance hall there is a spiral staircase leading down to a 34ft open plan living room, again having views across the gardens and out to sea. Sea Haven is now in need of some updating and offers great scope, subject to any necessary planning permission. To the side of the property, there is another large area of land, which will be sold with Sea Haven and has potential for parking or further garden subject to any necessary planning permissions. Raginnis Hill is a popular area within the village of Mousehole with its good range of local amenities. Access to the coast and footpath is just across the road, which leads to the village of Lamorna and Lands End. Due to the demand for such properties, we recommend an early appointment.
